

## NEEDS ASSESSMENT

NAME: \_\_\_\_\_

TEAM MEMBERS: \_\_\_\_\_

The following pose a series of questions to help you to analyze and arrive at ongoing areas of need within organizations addressing your issue.

1. Identify 3-5 organizations working on issues related to education.

---

---

---

2. What does each organization do well in response to issues related to education?

---

---

---

3. What could each organization do better in its response?

---

---

---

4. What areas of need related to education have you learned about that each organization is NOT addressing?

---

---

---

5. Considering all 3-5 organizations, what are the ongoing needs that are not being adequately addressed?

---

---

---

6. Considering all 3-5 organizations, what are the ongoing needs that are being addressed successfully, and to which you can add further efforts to support the issue access to education?
